

K-LOVE Radio provides a great service to me as a resident here in the Eugene/Springfield area of Oregon. Its broadcast of uplifting Christian music and programming is a real benefit to me. Since we don't have a local FM Christian station in this area, if K-LOVE were to be replaced by an LPFM broadcaster providing other programming, there would be a real void on the airways! I believe that the service provided by K-LOVE is definitely in the public interest. I know many people in our church and community who enjoy listening to K-LOVE on a daily basis. The programming provided by this station brings much needed encouragement, information, and positive music for both adults and young people in our community. Thank you for considering these comments!
